

AMENDMENTS

IN THE SPECIFICATION:

Please amend the specification as follows:

Following insertion of Table 1, on page 34, line 8, following "INS", please insert --
(SEQ ID NO:25)--.

Following insertion of Table 1, on page 34, line 18, following "INS", please insert --
(SEQ ID NO:26)--.

REMARKS

I. THE AMENDMENTS

After entry of this Amendment, the specification properly identifies all sequences in the substitute sequence listing submitted herewith in accordance with the sequence rules. No new matter has been introduced.

CONCLUSION

In view of the foregoing amendments and remarks, the Applicants believe that the application is in good and proper condition for allowance. Early notification to that effect is earnestly solicited.
